

CURRICULUM VITEA

Boitumelo Mashile – Future Software Development
Pretoria North | Tileba

063 077 2826 | 576825@student.belgiumcampus.ac.za

PERSONAL PROFILE:

I am currently doing my Final year at Belgium campus ITversity for a diploma in Information Technology. In my time studying IT I fell in love with Software development, and I want to be part of the change and vision that occurs in this field. I believe my eagerness to learn, and hard work will make me a great candidate for a role in Software Development.
